Properly Handling Personally Identifiable Information (PII)

[Register Now](#)

The Training & Technical Assistance Unit within the Office of Workforce Development has developed a webinar on Properly Handling Personally Identifiable Information (PII). This webinar is a brief overview of TEGL 39-11: Guidance on Handling and Protection of Personally Identifiable Information (PII).

Learning Objectives:

- ◆ Recognizing PII
- ◆ Understanding TEGL 39-11
- ◆ Staff Roles & Responsibilities
- ◆ PII Protection and Best Practices

Presenter(s): Webinar - **Kristin Maybriar**,
Employment Services Coordinator, Office of Workforce
Development, Ohio Department of Job & Family
Services

Format: Webinar on Demand

Length: 8 minutes

Thank you, we hope you enjoy the training!
